LAUNCH YOURSELF

ABOUT LAUNCH YOURSELF

We work with entrepreneurs to diversify and scale their income by selling their genius online. We have been the masterminds behind several 6- and 7-figure digital product launches and our launches have generated over $25 million in revenue (and counting!).

If you're selling something online and it's not converting into cash, we can help you evaluate what's broken, where the gaps are, and how to fix it so you can launch successfully going forward.

SERVICES & PRICING

There are several ways for us to partner together. Our current non-project-based offerings are provided below.

$97

Sales Page Review

Review your sales page and provide ways for it to convert better in layout, design, and copy. Delivery is via recorded overview within 3 business days.

$197

Funnel Audit

Review the details of your funnel (up-to five pieces) and identify gaps and trouble areas. Delivery is via recorded overview within 3 business days.

$497

Funnel Audit + Strategy Call

All items within the Funnel Audit product and a one hour strategy call to answer questions and share additional strategic and tactical considerations.

$697+

Pre-Launch Technical Support

We will connect your technical components prior to your launch so you don't have to worry about it.

Technical components can include:

- Sales page to checkout to contract
- Opt-in page set-up
- Facebook ad pixel set-up
- Launch emails scheduling
- ManyChat broadcast scheduling
- Replay page
